Healthy Soil. Healthy Nation

**Addison** 

## Company Profile

Addison Biological PVT. Ltd. an ISO 9001:2008 certified company established in 2015, at Derabassi, Chandigarh. Monsoon Agro Chemicals Pvt. Ltd.; Ritz agro chemicals Pvt. Ltd.; and Oswal Crop Protection Private Limited are the mainstay of ABPL. Due to which, today ABPL has attained its position in the growing market.

We, the ABPL team feels immense proud and pay our gratitude to our prospective client, without whom the ABPL would not have existed. ABPL an abiding company in the agricultural field is strongly dedicated in bringing up the best possible solutions to the farmers at finest prices.

We have been in this field for more than 25 years. ABPL never compromises with the quality. "Quality is our priority." Our everlasting services to this field gives us self-satisfaction and a motive to run ABPL, and strive for our vision "HEALTHY SOIL. HEALTHY NATION." ABPL is developing a core network of distribution and sales at national level with representation in all part of the country.

ABPL aims for its products to reach farmers World Wide, and make itself a recognized company all around the globe. ABPL has flourished a firm niche in the agriculture market of "Insecticide/Pesticide; Herbicide/Weedicide; Bio-Fertilizer; General Fertilizer; Fungicide" that are well renowned in the market. "Kargil Maha Gypsum; Addison PSB; Addison NPK; Addison Potash; Conta G;" and many more are the flagships of the ABPL. We feel proud in introducing these 'ORGANIC' products that are eco friendly and are environmentally sustainable.

We 'ABPL' are strongly committed to the integrity and are aware of the farmers toiling in the field to feed the world. We are doing our best to pay off the hard work of the farmers around the globe. We believe that 'organic farming ' is the future of ' The Earth', that further will lead healthier lives to thrive.
